MEMORANDUM TO: ASSISTANT DIRECTOR/OSO

SUBJECT: Priority Requirement for Bluebird Team

A
F- 1. Reference to request contained in Memorandum
of 19 June 1950, IASS is prepared to send a Bluebird Team to _____
between 24 July to 1 August 1950.

2. Prior to the dispatch of such team, recommend the following
matters be considered in implementation of the project:

F (a) The team to be sent is the basic team which has just
been completed by the addition of a doctor-psychiatrist. For
development of the whole project and training of a second team,
it is felt that the stay in _____ should not be over four weeks.

(b) This will be the first project of this bluebird team
and the captain of the team must be allowed considerable latitude
by your operating officials. The project will serve as a training
and research project in addition to its operational significance.

G (c) Urge your consideration from both policy and security
standpoint as to possibility of performing project without knowledge
of _____. I feel that _____ should not be briefed on entire project
but that intensive _____ interrogation be used as a cover.

A (d) -I urge that the exact nature of the Bluebird Project, even
in the Area Division and in _____ mission, be kept on an Eyes.
Only basis to the very few staff both in Headquarters and in the field
and that cables to and from the field on the subject be similarly
treated.

A- 3. I suggest that at an early date, a conference with you,
_____ on the details would be helpful to us.
